## District 34 seeks increase to restore programs

Voters in Antioch Grade School Dist. 34 will be asked to approve an increase in the district's Education Fund tax rate in a referendum December 1st. Size of the increase to be requested is 40 cents per \$100 of assessed valuation.

Board members agreed in a special meeting October 23 to call the referendum. Formal action must await the Board's next regular meeting, November 13; however, by working out the details in the special session, the Board's attorney can have all the proper documents prepared for the regular meeting.

It was the consensus of the members of the Board that they should limit themselves to asking only for enough to restore the programs which were cut from the budget in the Spring of 1972. Superintendent Henry Meyer had presented them with a request for a 20 cent increase in the Building Operation and Maintenance Fund rate, in addition to the 40 cents in the Education Fund rate. Meyer wanted the additional money to meet expenses from an expected enrollment increase of 500 to 700 pupils over the next five years.

But, after an hour-and-half discussion, the Board decided to ask only the minimum needed at the present time.

When the district budget was slashed in 1972, according to Supt. Meyer, the estimated savings were \$135,000. Programs eliminated were: band, arts and crafts, vocal music, industrial arts, home economics, interscholastic and intramural athletic activities. Personnel reductions included: two from the allowable custodial

staff, two from the allowable secretarial staff, an assistant for the nurse, and non-teacher playground supervisors. Also

cut from the budget were: \$20,000 from the general library

## Grass Lake School faced with rising costs

A referendum will be held in the Grass Lake School District No. 36, Saturday, November 17, asking an increase in tax rates to operate the school. Voters will pass on:

- an increase of 21 cents per \$100 assessed valuation in the Education Fund, and
- an increase of 10 cents per \$100 assessed valuation in the Building Maintenance and Operation Fund.

According to Superintendent William Hart, the additional money would be used basically to finance existing programs at the school.

"At the present time, we are operating on the same education rate as we have had since 1965," Hart told THE ANTIOCH NEWS. "Since that time we have increased the staff from 9 teachers to 15 full-time and 2 part-time teachers. The enrollment has jumped from 170 in 1965 to 320 this year. The average cost of educating each pupil was \$513 in the 1965-66 school year; in 1972 it was \$802. And it keeps going up each year."

Hart emphasized that Grass Lake has one of the lowest tax rates in Lake County. Of the 37 elementary districts in the county, his figures show that only three have a total tax rate

equal to or lower than that in District 36. All of the funds except the Education Fund are still at the minimum rate set by the State legislature.

This is not the same building proposition that was voted on in June 1972. At that time, voters turned down a \$295,000 building bond issue and a 30 cent rise in the Building Maintenance tax rate to operate it.

Hart put great stress on the fact that the November 17 vote is not part of any new building program, but merely seeks funds necessary to keep up with the rising costs of the existing educational program.

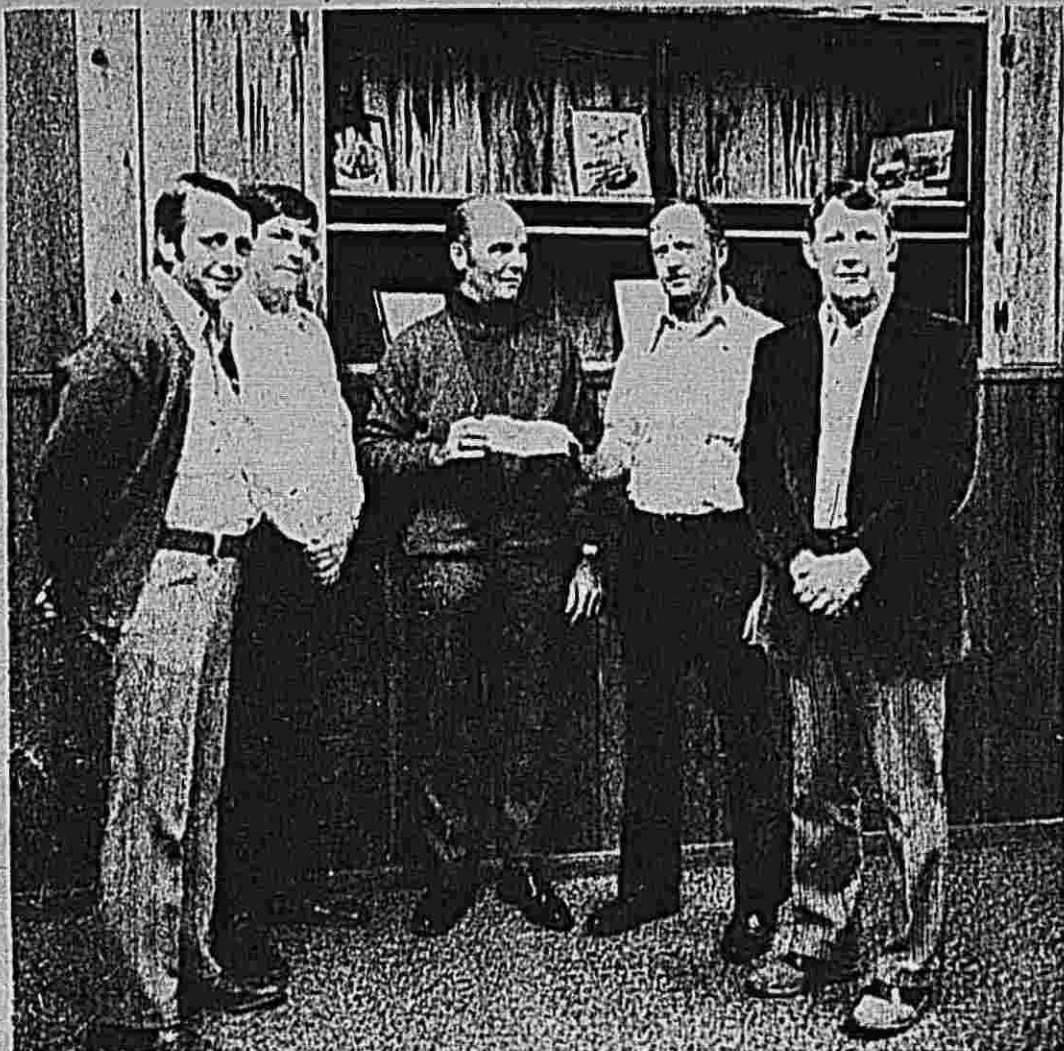

At the present tax rates, the school is actually going into debt. The budget for the current

## Dr. Petty temporary superintendent

Dr. W. C. Petty of Antioch is the new Superintendent of the Newport Grade School, at least for a while.

The district to the east of Antioch has been embroiled in a dispute because the former superintendent, Patrick Tanner, did not meet the requirements of the Illinois School Code,

which require a superintendent to have 30 hours of graduate study beyond a masters degree in superintendency.

Despite the fact that Tanner is commuting to Northern Illinois University, and is expected to complete his requirements in December, two residents of the district filed suit against the Board. When the suit was upheld in court, the Board was faced with the necessity of finding a qualified superintendent who would agree to serve for only a temporary period.

Petty, who was county superintendent for 40 years, apparently will remain as superintendent only until Tanner is properly certified by the State. Tanner, for the time being, has been named assistant superintendent, according to Board president William Witt, "with the full intention of rehiring him when he has completed his educational requirement, at which time Dr. Petty will be released."

## LIONS AUCTION PROCEEDS MAKE DENT IN RESCUE SQUAD NEEDS

A check for \$9,329.05, representing the proceeds from the auction held at the annual Lions Club picnic in August, was presented to the Antioch Rescue Squad Monday night. The money will be used to meet some of the many financial needs of the Squad.

Asked what the money would be used for, Squad members immediately recited a list of planned projects that would have exhausted three or four checks of that size.

It was agreed that the Lions' donation would go to pay off the \$5,000 owed on the Squad truck. Another \$750 - 1,000 will be expended to update radios in the members' homes. The new radios will be battery-powered, so that they will remain operable in the event of a power failure.

The remainder of the contribution will be used for a telemetry radio system that will correlate with the heart monitoring system recently installed. This will allow a patient's EKG to be transmitted directly to the hospital, even from remote locations. Cost of the unit for the truck will be about \$3,300. In addition, the Squad must pay in the neighborhood of \$1,000 to belong to the system.

In making the presentation, Lions Club president Walter Shepard stated: "Because your needs have become so great, we have decided to give you this money from the auction as our gift each year."

Jim Fields, Captain of the Rescue Squad responded that, "There's seemingly no end to

what we need. This contribution only begins to provide for good and efficient rescue service to the people of Antioch."

The members of the Antioch Community High School Board of Education met Thursday, October 25th and, promptly installed their newest colleague Mr. Howard Bonner. Thus, Mr. Bonner's presence in their yearbook picture taken immediately thereafter was official.

The Board was notified that A.C.H.S. is the recipient of \$2,504 from the state for the purpose of expanding their educational program for gifted children. The courses to be developed are Social Studies and Creative Dramatic Arts, and are expected to take up to three years to fully develop. It may also be possible for the school to be reimbursed for future improvements in this area.

The Curriculum Committee will meet December 4 to discuss the development of a new course focusing primarily on drugs and other current social problems. The general conviction of the Board was that all students should be exposed to some type of drug abuse education over and above what is presently being taught in Health classes.

Guidance Director Edward

Kurek reported that he and representative teachers Harrison Brown, Gary Allen, and Bernard Fosmark met with Supt. Henry Meyer of the Antioch Grade School to discuss the development of an Environmental Program to be taught in grades Kindergarten through 12. This subject would not only be covered in science classes, but also be introduced to students in such classes as English and History. The goal is to instill such values as respect for the environment and nature in our children as well as to show them how to fight existing pollution. Supt. Meyer and his associates at the grade school are currently writing such a program with the hope that it can ultimately be adopted and utilized by any school system. The A.C.H.S. Board decided to participate in the development of the program without becoming financially involved as yet.

Mrs. Betty Meyer was appointed as A.C.H.S.'s delegate to the I.A.S.B. (Illinois Assoc. of School Boards) convention to be held the weekend of Nov. 17 at the Palmer House in Chicago.

Five personnel changes were

approved at the meeting. Newly hired are: Eva Hawrylak, a bus driver; Pam Burdick, a secretary; Joy Froom, a receptionist; and Marge Warner and Helen Karczewski as hall supervisors.

The rental of school facilities was discussed. The Board approved the rental of the gym to the Little League for their awards on Oct. 30, and the rental of the girl's gym to the Lions Club on Thursday nights. A choral group under the direction of Ken Smouse and consisting of choirs from the Millburn Congregational Church, the Antioch Evangelical Free Church, St. Stephens Lutheran Church, and the United Methodist Church, plus any interested people, received permission to rent the auditorium for a rehearsal and performance of Handel's "Messiah" in December.

Approximately 140 people are attending Adult Evening School this year at A.C.H.S. Some of the courses offered are: Power Mechanics, Karate, G.E.D., Introduction to Sociology, and Physical Fitness for Women. These classes meet each Wednesday night.

## LIONS CLUB TO RECEIVE STATE HONOR

The Antioch Lions Club is one of seven organizations and individuals that will be honored at the first annual awards dinner-dance of the Vision Conservation Institute of Illinois. The affair will be held Friday evening, November 16, at the Starlight Inn, Schiller Park.

The award cites the local group's sponsorship of the annual eyesight screening program. Earl Stringer, chairman of the event, will represent the club at the speaker's table.

Miss Sylvia Sydney, Miss Imogene Coca and Miss Ella Fitzgerald - themselves recent victims of vision problems - are expected to join VCI President

Edgar Bernhard of Glencoe and Executive Director Fred Marvin of Downers Grove on the dias. Among the guests of honor will be Bob Newhart and Don Rickles.

Reservations for the dinner-dance are being accepted through Mrs. Joan Spatafora, 1301 S. Knight, Park Ridge.

Donations are \$16. Phil Varchetta and his orchestra will provide the music. Cocktails will be served starting at 7:00 p. m.

Others to receive awards are: Jim Conway, Ted Berland, Little Village Kiwanis Club, Chicago Women's Aid, Citizen's National Bank, and the New Vision Foundation.

## McCLORY PLANS ANTIOCH VISIT

Congressman Robert McClory of the 13th District, will speak in Antioch on Friday, November 9. He will address a combined meeting of the Rotary Club and the Antioch Chamber of Commerce and Industry. The luncheon meeting will begin at

## YOUR NEW ASSESSED VALUATION: WHY IS IT SO HIGH?

Property owners in Antioch Township have recently received in the mail a card from the Lake County Supervisor of Assessments, Robert Jasper. The card shows last year's assessed valuation of property and a new figure -- usually about 30 percent higher -- as the 1973 valuation.

Judging from the volume of inquiries received by the various local and county offices and THE ANTIOCH NEWS, people are concerned and confused about this new assessment.

According to a statement issued by Mr. Jasper's office, which appears with the assessment roll in today's paper, it is not fair to compare the two figures on the card. "The valuations published (the new figure) should be compared with the equalized value (which appears) on last year's tax bill," Jasper's statement says.

Assessed valuation is supposed to be about one-half the market value of the property. For some reason, which no one seems to know, property in Lake County has been consistently under-assessed in past years. To equalize assessments throughout the State, the Department of Local Government Affairs assigns a "Multiplier" to the county. Assessed valuations must be multiplied by this figure to obtain an "equalized value," upon which taxes are computed.

Last year, Lake County's multiplier was 1.1905. This means that the assessed valuation of each parcel of property as published in the paper was raised about 20 percent BEFORE taxes were computed.

This year, according to Jasper, "local administrators are confident that these changes in the levels of assessment will result in a (multiplier) of 1.000, or no change in local assessment figures."

Thus, the new assessed valuation is the FINAL figure (unless changed by the Board of Review) upon which taxes will be computed.

When this is considered, the actual rise in local property taxes will be more in the neighborhood of seven percent, a much more bearable figure than the 30 percent that first appears, and about in line with the rate of inflation experienced throughout the country.

## McCLORY DISCUSSES AGRICULTURE MEASURES

Notwithstanding dire predictions to the contrary, the Congress recently passed a new farm bill described as the Agriculture and Consumer Protection Act of 1973. The measure contains a number of innovative provisions with respect to farm legislation.

The principal change is that which establishes so-called target prices for farm products. For example, the target price for corn is set at \$15.3 per bushel. The target price for wheat is \$2.28 per bushel. However, the target prices set forth specifically in the legislation may be revised from time to time by designating higher or lower target prices. In addition, there is an escalator formula under which target prices may be adjusted to reflect rising production costs.

The significance of these new provisions is that the Federal Government will pay to farmers the difference between the market price and the target price where the target price is higher than the market price which the farmer is able to receive for his commodities.

In giving his approval to this legislation, President Nixon declared:

"This law should help in our battle against inflation by encouraging American farmers to produce at full capacity." He added, "The cost to taxpayers of Government payments to farmers will be reduced and in some cases eliminated during periods of strong demand and

high prices such as we are now experiencing."

Well—we will have to wait—and see. The element of "parity" is retained in that part of this new law relating to the dairy industry. Under the new legislation the price support for milk will be established at 80 percent of parity instead of 75 percent of parity as at the present time. The measure also authorizes the continuation of the so-called milk orders under which established prices for raw milk are provided for various marketing areas throughout the country.

It is hoped that the new law will substantially eliminate the large cash payments heretofore made by the Federal Government for not planting crops. The Congress established a ceiling of \$20,000 a year for each farmer with respect to subsidy payments under the bill. It is expected that this will eliminate most of the cash payments above \$20,000 for grain farmers. However, with respect to cotton farmers it is possible that evasion of the \$20,000 limit may be possible through the sale or leasing of the acreage allotments which are provided for cotton farmers.

A substantial controversy developed regarding the food stamp program. Under existing law, workers on strike are permitted to receive food stamps. This, in turn, strengthens their economic position during the period of a strike—thus subsidizing in part the conduct of the strike against

private employers. The barring of food stamps for strikers was sustained on three separate votes in the House of Representatives—but ultimately this ban on food stamps to strikers was dropped when the Senate refused to include this provision in the farm bill.

A number of the other provisions in this measure were hotly debated, including authority for a \$10 million subsidy for the activities of Cotton Inc., a research and promotional organization designed to promote sales of American cotton abroad. Also, the measure permits funds to be used to advertise tobacco abroad—notwithstanding the adverse effect on human health which an increased use of tobacco will have.

While opposing the escalator clause with respect to the new target prices established in this legislation, the President nevertheless signed the measure which establishes this new national farm policy for the next 4 years.

In reaching this decision, the President stated most significantly;

"As consumers, Americans are the most fortunate people in the world. Our farmers and ranchers have traditionally provided us with a plentiful supply of the best food and fiber in the history of mankind. Their importance to our economy—and their right to share fully in the fruits of that economy—cannot be denied."

## TREAT TRICK TREAT TRICK TREAT TRICK

### Ask the Governor

Q. There is a large number of handicapped people in Illinois. I would like to know if there are any programs for redesigning sidewalk curbs, shelters and transportation so that parapalegic and quadruplegic persons can get around more easily?

A. In August, I signed legislation that requires all intersections in business and commercial areas throughout the state to install ramps for wheelchairs—wherever the curb is being repaired or a new one installed. Another bill I signed provides special support for local transportation facilities to enable handicapped people, people in wheelchairs, to get on and off of public conveniences.

Q. With respect to the recent Stateville Penitentiary riots, you stated there would be no amnesty. Now there appears to be some confusion about what the prisoners negotiated between amnesty and reprisals. The prisoners feel double-crossed. What is your stand on amnesty?

A. I've discussed this subject at length with prison officials. I don't think there is any misunderstanding on the part of prisoners. The prisoners understand very well the distinction

between the two words. Prisoners fear reprisals. They fear it means getting beat up. That has happened in the past, I am told. Reprisals, I have said repeatedly, at Menard and again at Stateville will not be tolerated. By reprisals we mean that inmates will not be beaten up, they will not have their food taken away from them, they will not be subjected to physical abuse or any other kind of abuse because they participated in disturbances. But they also understand there will be no amnesty for a violation of the law. There is absolutely no way you can run a prison and keep even a semblance of discipline if you are going to give people amnesty for violating the law. You cannot run a prison if you're going to grant amnesty. You can run one without reprisals and that's what I'm going to do. At Menard and at Stateville I obtained a list of the complaints that the prisoners had and we're going to see that any legitimate complaint is rectified.

Q. Is there an administrative liaison in your office who can direct his efforts to preventing costly duplication of services and administrative errors at universities in this state?

A. I share your view. But the answer is no, there is not and cannot be because the university system in Illinois is under the Board of Higher Education, not under the governor's office. I do not have any authority or direct control over the operations of the universities. I am going to ask, though, that the universities follow the same precepts that I

try to apply. When I read in a newspaper that vice presidents at Southern Illinois University are all getting new limousines, I have to wonder about where some of the money is going.

Gov. Dan Walker invites you to question him about state government and what state government should be doing for the people. All questioners will be answered by letter by Gov. Walker and some of the questions and answers will appear, probably condensed, in this column. Letters must be signed and an address provided. Send to: ASK THE GOVERNOR, Illinois Information Service, 105 State Office Building, Springfield, Illinois 62706.

The first few columns will use questions and answers from Gov. Walker's accountability sessions being held throughout the state. As soon as the mail develops, the governor will use the mailed questions.

## OAKLAND LIBRARY: PARENT-POWER PROVES PRICELESS

To paraphrase an old saying, "Invention is the necessity of mother."

Case in point: Your child's school has woefully inadequate library facilities. There is not centralized library. Rather, each teacher orders whatever books he or she thinks would be good for his or her class, and the district provides only as many as it can afford. Books are kept in each classroom, and there is not inter-lending.

The stock solution to such a problem is to keep badgering the Board of Education for more funds.

But the inventive mother is not content with stock solutions. And so she organizes a small band of inventive mothers and does something about it — builds and organizes a library for her child's school.

It happened at District No. 34's Oakland School. That school now boasts a centralized library with a fully-cataloged collection of 3,000 books. And the facility is in full operation each day during school hours.

The fact that Oakland's library exists is to the credit of Mrs. Jonee Paul and approximately 35 other mothers whose children attend the school.

These women donated hours of their time to the tedious task of organizing the library.

Approximately three thousand books were cataloged. In order to do this, at least four cards had to be typed for each book after the call numbers were determined. Then each book was prepared with book pockets, cards and call numbers printed on the spine and placed on the shelf.

Oakland Principal Ron Marten put this part of the mothers' contribution in dollars-and-cents terms. The regular processing charge runs about 30 cents per book, he said. With 3,000 books to be cataloged, these women saved the school about \$900.

Shelf materials (boards and cinder blocks) were obtained by the PTA and through donations. They were painted, varnished and set up by Al Paul and Ron Marten.

Though the room is small, formerly being a teachers' workroom, the bright decoration creates a cheery, inviting atmosphere.

The library is in full operation every school day, staffed — as might be expected — by

volunteers. Thirty ladies give one day during each five week period with five mothers working when needed as substitutes.

Even the collecting of books is, in part, a volunteer effort. The PTA is sponsoring a "Book for Your Birthday" project. A child may donate a book to the school library instead of passing out candy to the class on his birthday. (That's those "inventive Moms" again!) A special label is placed in the book indicating that it was donated.

Mrs. Paul and Principal Marten are quick to express their thanks "to all the parents who have been and are now giving so generously of their time for the improvement of the Oakland School Library."

"Hopes are that the present location of the library is only temporary and that a permanent library will be added to the school in the form of an addition," Marten says.

When that day comes, perhaps a plaque would be appropriate, recalling those concerned parents whose inventiveness created Oakland's first centralized library.

Ronnie Noethling, first grader at Oakland School, presents his "birthday book" to Mrs. Jonee Paul, to be placed in the school's new centralized library. Ronnie, whose birthday is October 20, is one of the first students to participate in Oakland's "Book for Your Birthday" project. (Staff Photo)

## TRAVELING WITH TAFFY

### KOREA: "Land of the Morning Calm"

For those with adventure in their souls, Korea has a lot to offer. The culture of this country is one of the world's oldest and is quite distinct from that of Korea's two big neighbors, China and Japan. Korean's call their nation Chosun, meaning "Land of the Morning Calm." It is a fairly accurate term, for throughout Korea's history the nation has managed to remain calm and relatively stable despite the turbulence of Asian life which swirled about.

About 60 percent of the people are farmers. Some Koreans follow the ethical system established by Confucius, but most adhere to the teachings of Buddhism or Facism. Many however are Christian.

Rice, poultry, fish, and vegetables are the principal foods eaten by most Koreans. Some of the favorites are kimchi, a spicy pickled combi-

nation of turnips, onions, cabbage; pulgogi, marinated, thinly sliced beef cooked over charcoal brazier and also quite spicy; and sinsello, a centuries-old favorite consisting of meat, fish, eggs, and vegetables simmered over a brazier. Being brave, I tried all of them. Different, but very very spicy!!

#### The Land and the People of Korea

The average tourist spends a few tightly packaged days in Seoul and thinks he has "done" Korea. He is sadly mistaken. Unless he gets out of Seoul he has missed the essential flavor both of Korea and of East Asia, the little villages and peaceful countryside where a basically agricultural society still follows traditional ways. As you ride through the Korean landscape — thatched villages, tucked into the hillsides, tiny terraced fields

ploughed by oxen and planted by hand, shallow rivers winding slowly through wide, flat valleys, lines of graceful, slender poplars along the narrow paths between the rice paddies, simple grave mounds set into the hillsides — Seoul will seem very far away indeed. The centuries-old life of Asia becomes vivid and real. Much of what you see is dirty, shabby and poor, but this is a poignantly beautiful country in its own way.

#### Kyongju

One place that I visited, and found to be my best experience in Korea, was Kyongju. Once a great capital, Kyongju today is a poky country-town living quietly in the shadow of its past. Enormous tombs brood silent and watchful over the southern outskirts. The remains at Kyongju are small, but they have a simplicity, delicacy, gracefulness and harmony of proportion that is unmistakably Korean.

We spent most of our day climbing the mountain. We were in a small group — a few adventurous souls among the crowd. It was a rugged climb but the scenery was so beautiful, the air so fresh, the grass so green that it was well

Mr. and Mrs. Emil Frozeth were the guests of honor at a dinner party held at Paty's Lounge last Saturday evening. The Frozeth's were celebrating their Golden Wedding anniversary and the party was hosted by their two daughters and husbands, Lorraine and Bob Lemke and Doris and Elmer Meierdirk. After the dinner and the champagne toast which 75 guests enjoyed, the guests of honor and their relatives and friends went to the Frozeth's home for further celebrating. They received many lovely gifts and were delighted with the entire evening especially having their grandchildren, Dave, Jeff and Susan Lemke and Wayne, Cindy and Larry Meierdirk helping them celebrate this very golden event. Happy Anniversary Emil and Agda Frozeth.

Cub Scout Pack 86 held a family hayride on Sunday evening at Marly Guager's farm. After the hayride about 60 adults and children enjoyed a bon fire and weiner roast. The boys have been selling chances on turkeys as their money raising project and the winners were drawn at the hayride. The lucky winners were Master Billy Corey of Channel Lake and Mrs. Lillian Garthey of Waukegan. Rick Gossman sold the most chances and received a new football for his efforts.

Mary Jo Zeien, who is chairman of the PTA candy sale would like to thank all the children for working so hard and all the area people for supporting the sale. It was very successful and the money will go toward buying equipment for the school.

Happy birthday to Wade Hucker who celebrated last Friday. Dannette "Charlie" Behrens blew out the candles on her cake on Sunday. Four year old Martha Miles had a birthday party at her home on Monday afternoon and Jim Gutowski became a teenager on Tuesday. Happy birthday to all.

Bobbie Knackstead called me last week to say her crab apple tree was in bloom. I'll bet it won't be for long now, winter sure feels like its right around the corner.

This reporter and Joe along with sister Ceanna Portalski and friend Gail DeVore attended the PM & L's production, Solid Gold Cadillac last Saturday evening. The play is really delightful and we should be very proud of our local talent and the wonderful job they have done restoring the old Lake's theatre. Two local residents very active in PM & L are Nancy Eberman and Bill Serphon. Bill is in the current production while Nancy is working behind the scenes this time.

## DISTRICT 34 SEEKS INCREASE TO RESTORE PROGRAMS - continued

and educational supply budget, \$10,000 from the new and replacement equipment budget, and all money for field trips.

To replace these programs for the next school year, Meyer estimates, would require about \$170,000, due to inflation.

With a total assessed valuation in the district of \$44,773,555, as revealed by a spokesman for the County Superintendent's office, a 40 cent raise in the tax rate would yield about \$179,000.

"If - and I emphasize if - there is any excess after the programs are re-instated," Meyer said, "the additional could be applied to reducing indebtedness in the two funds." Balance sheets for the current fiscal year show a total

indebtedness in the two funds of \$210,306.83 as of June 30, 1974.

A major building program for the district, including additions to all three lower grade schools and a totally new building, has been under discussion by the Board for over a year. The expanded facilities were to allow the district to absorb the expected enrollment increases from several large developments in the Antioch area, along with regular population growth.

However, with talk of a re-zoning moratorium which would postpone most of this growth for at least six months, "the Board has decided to wait ... before bringing a building proposition before the people,"

Meyer said. "When we do run a referendum for an additional building program, we will need to ask for additional operating funds," he added. The size of that tax rate request would have to be determined at the time the building plans are revived, according to Meyer.

The timing of this referendum is very important, according to Board members and Meyer. If the increase is approved this year, then funds would be available to re-instate the programs for next September.

However, if the referendum were passed after January 1, revenue from it would not be forthcoming until the 1975-76 school year.

Asked what would happen if voters turn down the 40 cent increase in the December 1

referendum, Meyer responded: "Most likely, the programs would not be reinstated. We would continue to operate under a restricted and austere budget."

Pausing for thought, he then added: "If we get the anticipated increase in enrollment that appears to be on the horizon in the next two to three years, without additional tax monies to support it, I don't see how we could conceivably run a balanced budget, even with the present program cuts. I would expect an increase in the district's indebtedness."

On a positive note, Meyer pointed out that the district's overall tax rate, including all funds, has actually gone down steadily for the past three or four years, due to the paying off of bonded indebtedness.

Story and names of local 4-H winners will be printed next week in the Antioch News.

### GRASS LAKE SCHOOL FACED WITH RISING COSTS - continued

school year shows a deficit of about \$50,000 in the Education Fund and \$15,000 in the Building Maintenance Fund.

Tax Anticipation Warrants will have to be issued to cover these deficits, Hart reported. Then, the first money from the next school year must go to pay off the warrants, thus decreasing the revenue available for operating the school during that year, necessitating the issuance of new Tax Anticipation Warrants.

"Unless additional revenue is found, this situation will just compound year after year," Hart said.

Based on the total assessed valuation of the district, according to the School Board's computations, the added 21 cents per \$100 in the Education Fund tax rate can be expected to yield about \$17,000. A 10 cent per \$100 rise in the Building Maintenance rate would bring in about \$8,000 more.

This is a very minimal amount in terms of an increase," Hart said. "It will not solve all our problems, but we had to give considerations to all factors involved," he added.

Asked what might happen if the higher rate is not approved, Hart said: "There would have to be some adjustments in the school program and curriculum. There has been no specific discussion of this yet. However, it might take the form of an increase in class size, or a cutting back of certain programs, or, perhaps, we could just continue on an indebted basis."

Hart also mentioned that State inspectors and parents visiting the school recently have been quite concerned that facilities at the school and the

availability of instructional materials needed to be improved.

## LAKES REGION HISTORICAL SOCIETY MEETS

The first meeting of the Board of Directors of the newly formed Lakes Region Historical Society was held in the Library on October 29. Officers were elected from among the board members. June Lutz was elected to be the first president of the organization. Serving with her will be Tom Haley as vice-president, Edith Elms as treasurer, and Roberta Knirsch as secretary. Other board members are Betty Lu Williams, Eileen Lewin, Bob Wilton, Sr., Jim Kopriva, Bill Brooks, Ted Larson, and Bob Denman.

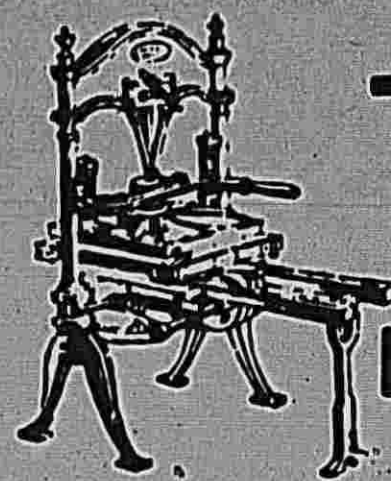

The membership in the Lakes Region Historical Society is open to all residents of the area. It is hoped that everyone who is interested in preserving the past and enriching the future of the region will attend the next meeting of the Society. This meeting will be held at the Antioch Township Library on Monday, November 19, at 8:00 p.m.

## Along the Way with *Annie Mae*

Bill and Ann Haley hosted a halloween party and scavenger hunt last Saturday night at the Fiddlers Green. The costumes were really original if you can imagine Mike Haley and Paul Eckert as "milk maids" and their wives as a two-part cow!! The scavenger hunt took over 3 hours for some and many miles, but lots of fun.

Larry and Ellen Ryan leave for Venezuela soon. Sure sounds exciting!!

A speedy recovery to Ev Strang who is in Victory Memorial Hospital recovering from gall bladder surgery. That's a rough one gal. Glad to hear Gladys Lokke is home from the hospital now. Hope she's feeling better and better.

Remember Gals!! Wesley Circle is presenting their Annual Feast and Fashion this Thursday evening at the Methodist Church. Tickets are still available.

Friends and neighbors in the Johanna Apartments can now relax and put away the binoculars. No, Jim Revell is not playing Hugh Hefner (but he would like to) and starting a Bunny Club in Antioch. He is doing something much better though, at least the guys think so. Jim is a very talented cook and truly enjoys making new dishes pleasing to the taste. He has been giving cooking lessons to quite a few of the local Chicks. Both young and old. Anyone is welcome to set in on these wonderful treats, though you will never know what to expect. There is one stipulation however, you do have to bring your own food. Jim will take care of the Hilton green with envy. So gals if you are in need of some help in the culinary arts, Jim Revell is your man.

P.S. You know it does save on the grocery bills too. They guys can come along too if they want, but no hecklers will be allowed. Weight Watchers there we go.

Jim says, "Can you imagine a big old football player like me fooling around in the kitchen?"

### TICKETS STILL AVAILABLE FOR ST. PETER'S THANKSGIVING DANCE

The 5th Annual Thanksgiving Dinner Dance will take place on Saturday, November 17, 1973 at Lorenz's Smart Country House located on Rte 173 West of Rte 59 in Antioch, Illinois.

Enjoy a great evening of cocktails and dinner, starting at 6:00 p.m. then music for your dancing pleasure at 8:30 p.m.

Donation only \$15.00 per person. For tickets call Dan Dugenske at 395-0566.

It was nice to hear from former Antiochites Margaret Aschenbrenner and Mr. Hons Von Holwede. They're both enjoying California living but are keeping up with all of us here via THE ANTIOCH NEWS.

Say you pickle gourmets - have you tried those delicious little kosher dill pickles at Jo-Pats. They're really super - and spicy. Try em!!

Birthday wishes this week go to Tommy Groth on the 2nd, Laurie Poulos and Karen Anderson on the 3rd and to Lucille Kuechenmeister on the 6th.

Our congrats to Lenore and Robert Dunlap, Jr. who celebrate their anniversary on November 3 and to Bonnie and Mike Gembara who celebrate on the 7th.

Don't forget to watch out for those little trick or treaters while driving. It gets dark early now and they forget to watch when they're so excited.

Don't let the goblins get ya,

## LAST WEEK FOR SOLID GOLD CADILLAC

Everyone should see a live-stage show, at least once in their life-time! So why not see, this week-end, Palette, Masque and Lyre's LIVE comedy production of Solid Gold Cadillac? The last two performances, by Antioch's only Community Theatre group will be on Friday, November 2, and Saturday, November 3. All performances are at 8:30 p.m.

The PM & L Theater opened this season with the lively comedy, "The Solid Gold Cadillac." The performances started on October 20 with following presentations on October 26, 27, November 2, and 3.

Bob Bundy did a superb job of directing the actors and actresses in their designated roles. Shirley Jensen, playing the lead of Mrs. Laura Partridge, was charmingly funny along with her supporting actors Don Beveroth, George Blanksten, and Tom Hauseman. Bob Lindblad, as, Edward L. McKeever was a delightful asset to the performances.

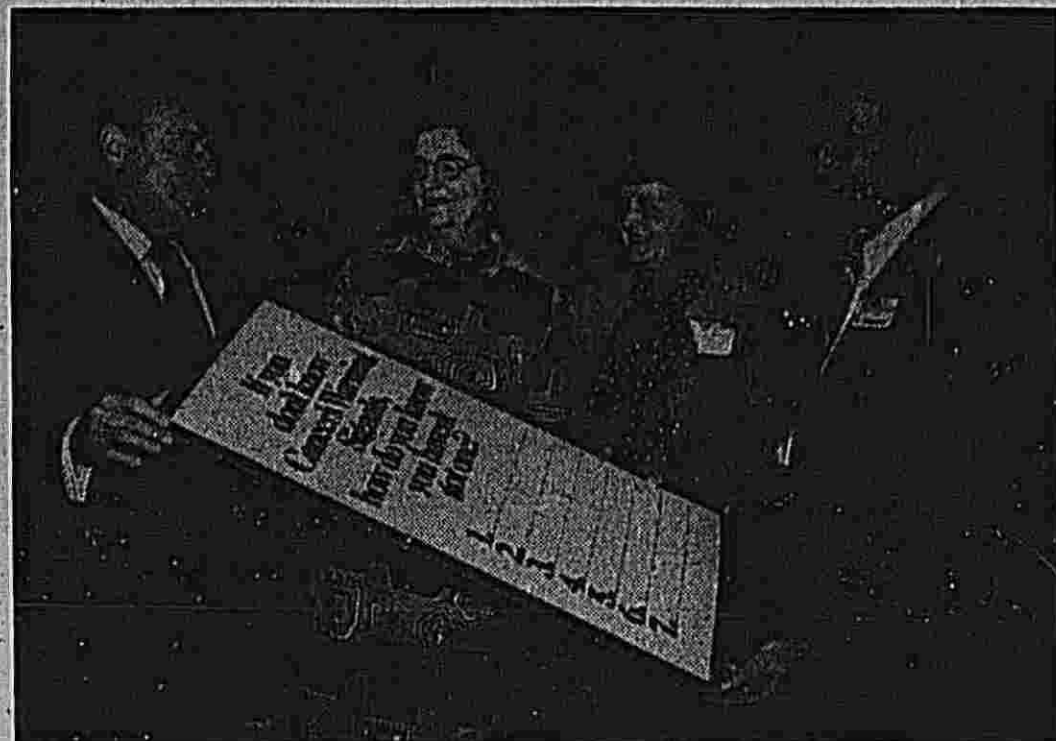

The entire play was a success and everyone who attended must agree that it was very

enjoyable. Don't miss the next production, "Lady Audley's Secret," which runs February 9, 15, 16, 22 and 23.

During the intermission view

the art display by the cast and crew of Solid Gold Cadillac.

Reservations will be taken by calling 395-9702 or, if no answer, 395-2919.

Miss Margaret Harris, Waukegan, Mrs. William L. Brook, Antioch and Dr. Robert O. Peckinpugh, Gurnee, met with another top leader of the American Cancer Society, Gale Gordon, star of the "Here's Lucy" Show.

These volunteers were among the 400 leading lay and medical volunteers from throughout the state who attended the Annual Meeting of the American Cancer Society's Illinois Division in Chicago recently.

The programs featured presentations by a distinguished cancer researcher on the latest progress in breast cancer; a feature on cancer quackery and training workshops to strengthen the leadership of the organization.

## THINGS YOU MAY NOT KNOW ABOUT CONSERVING ELECTRICITY.

### How a humidifier can help you save fuel.

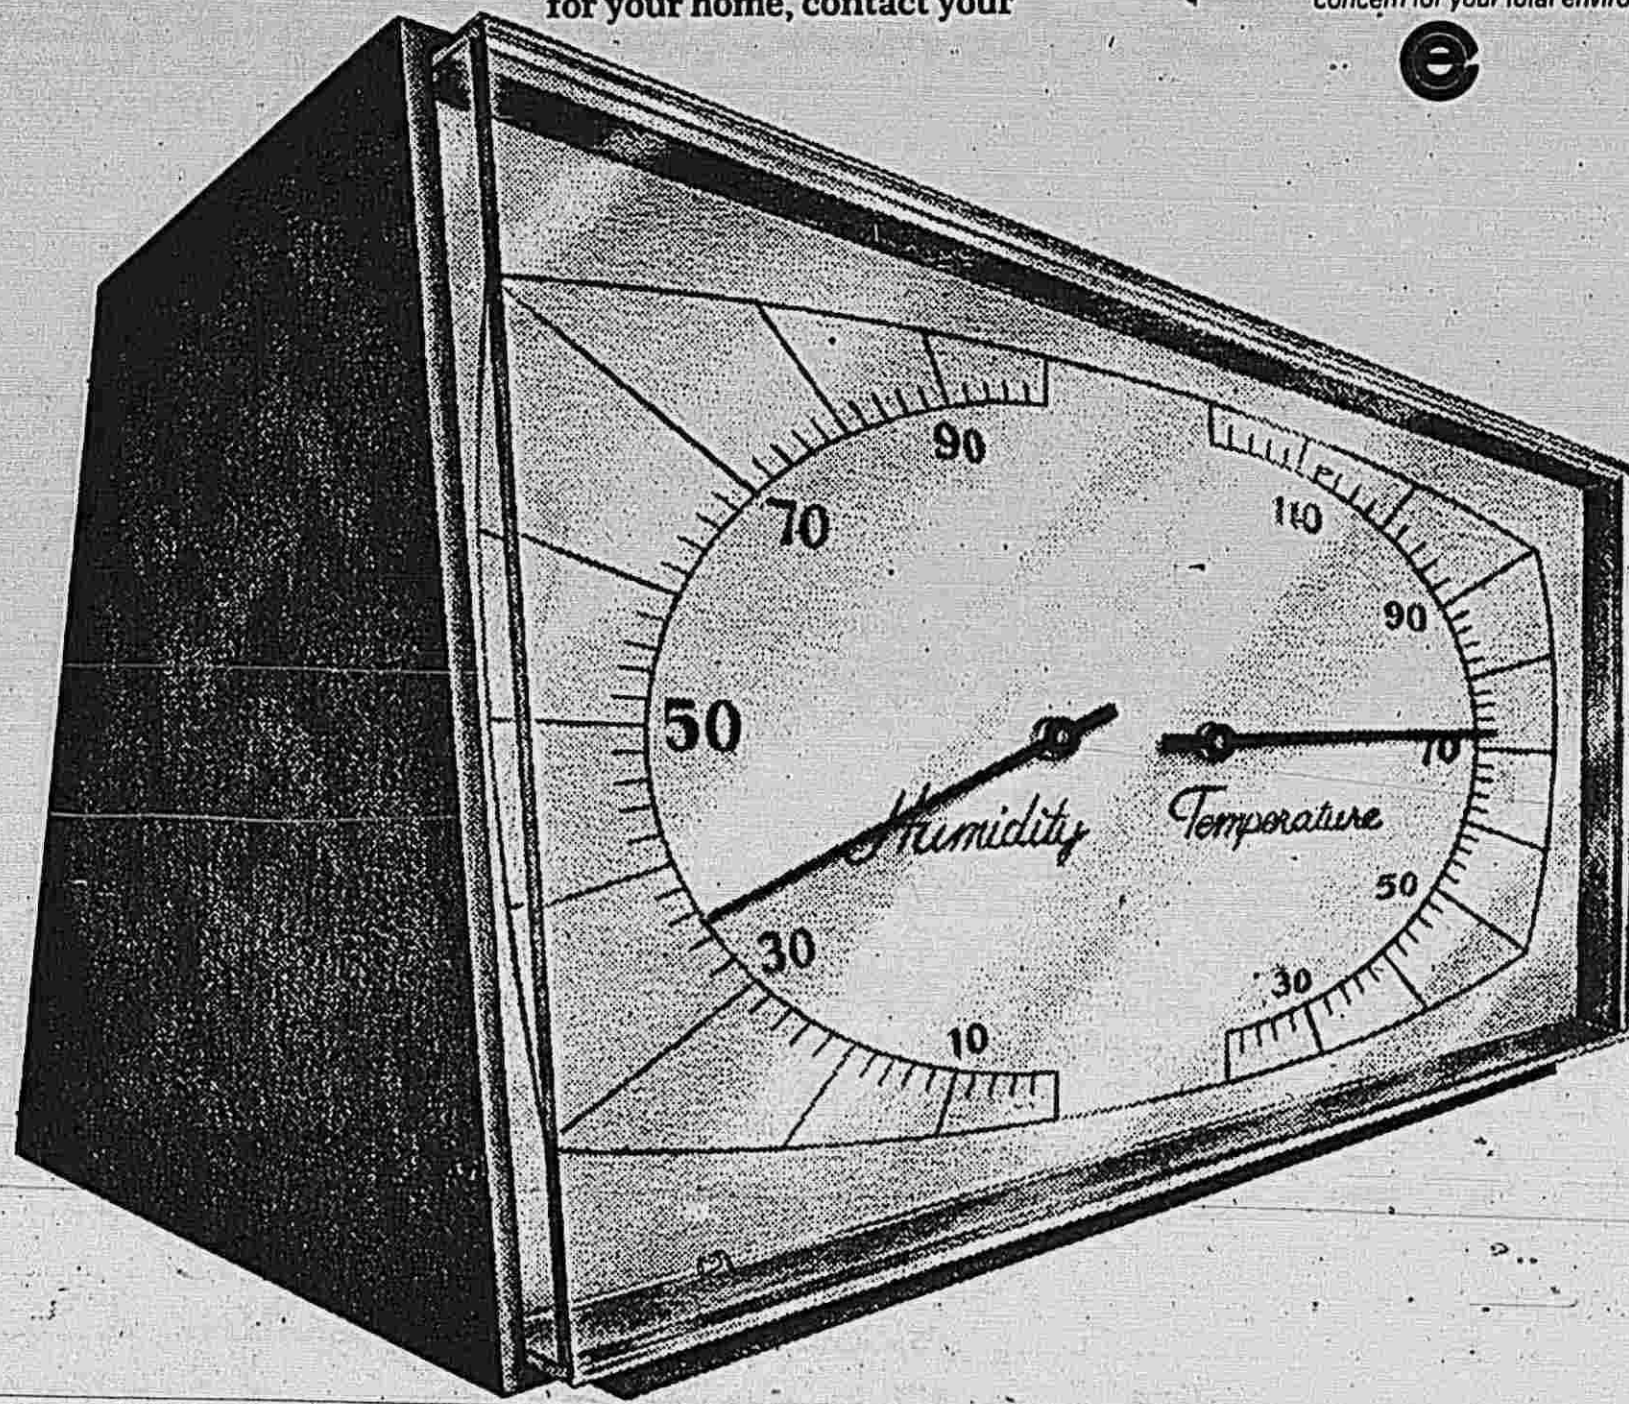

When the air in your home is too dry, you feel colder because the moisture on your skin evaporates faster. To keep warm you may raise the thermostat. But the higher your thermostat setting the higher your fuel bill. With a higher humidity, most people are comfortable at a lower temperature. For every degree not needed over 70, you can save as much as 3% on

your heating bill. If you're as comfortable at 72 degrees as 75 degrees, you can save almost 10% on the lower setting. This principle applies essentially to all heating fuels—electricity, gas or oil. Humidifiers are available in either portable styles or, for warm air heating systems, there are permanently installed models. To find the correct one for your home, contact your

heating contractor, department or appliance store.

We have a booklet that covers heating as well as other areas where you can conserve energy. We'll send a copy of "101 Ways to Conserve Electricity at Home" to you free. Just write Commonwealth Edison, Department AV, P.O. Box 767, Chicago, Illinois 60690.

## ELLEN BARR WEDS BRAD IPSEN

The ivory silk organza over silkface peau de soie gown Ellen Barr wore at her marriage to Brad Charles Ipsen was designed by Priscilla of Boston. It was trimmed with re-embroidered white Alencon lace-on-net. The veil, full length, was appliqued in a scatter pattern

with large motifs of re-embroidered Alencon lace.

The double ring service in St. Peter's Church of Antioch was read by Father Keusal. It united in marriage the daughter of Mr. and Mrs. William Barr of Antioch and the son of Mr. and Mrs. Leylon Ipsen, also of Antioch.

Mary Barr was her sister's maid of honor and Nancy Barr, Julie Barr, Kathy Ipsen and Kathy Sowa were the bridesmaids. Lenn Ipsen was best man and Michael Barr, Tom Tiester, William Meyer and Jon Dick were the

## WESLEY CIRCLE PRESENTS FEAST AND FASHION

The Wesley Evening Circle of the United Methodist Church of Antioch is presenting their annual Feast and Fashion at 7:30 p.m., Thursday, November 1, in Wesley Hall of the church. Fashions will be by Place One of Palatine.

Models for this year's show will be Thelma (Mrs. ElRoy) Anderson, Nanci (Mrs. Elmer) Eberman, Mrs. Elaine Gallagher, Miss Colleen Good and Jo (Mrs. Steven) Williams. The new Fall fashions to be shown will be presented in an excitingly new setting.

Coffee and tea will be served with the varied selection of delicious, home-made desserts. Members of the circle donate their delicacies so that all proceeds of the fashion show can be used for their donations to the work of the church, and its missionary activities.

Ticket reservations for this annual DeLuxe Dessert Buffet and Fashion Show may be made with Mrs. George Hahn at 395-0096. Tickets are available from members of the circle and may be purchased at the door.

groomsmen. The ushers were William Barr, Tim Roepenack, Tom Roepenack, Michael Sterbenz and John Barr, Jr.

The event was celebrated at a reception at the Bristol Oaks Country Club in Bristol, Wisconsin. After a honeymoon in Florida, they young couple plan to live in Antioch.

The new Mr. and Mrs. Ipsen both are employed at the State Bank of Antioch and Mr. Ipsen is a member of the Antioch Rescue Squad.

## PAMELA POLZIN, ALTON WARREN MARRY

Mr. and Mrs. Alton B. Warren who were married in the North Prairie United Methodist Church in Zion, Illinois are making their home in Lamar, Colorado.

The bride is the former Pamela L. Polzin, daughter of Mrs. Evelyn Polzin of Lake Villa and the bridegroom's mother is Mrs. Rose D. Warren of 1005 Mechem, LasCruces, New Mexico.

Pam wore an A-line satin gown trimmed in venetian lace. She carried a bouquet of white roses and babys breath. Her attendants wore dresses of

forest green velvet with matching hats and carried bouquets of white roses, gold mums and babys breath.

Debra Connel was the maid of honor and Richard Warren brother of the groom, was the best man. Mrs. Terrance Halloran and Miss Candice Horn were bridesmaids and Mr. David McCowan and Mr. David Woodard were ushers.

A reception at the Rustic Manor in Gurnee followed the ceremony.

Both young people are graduates of New Mexico State University.

## ANTIOCH CHIEFS & SQUAWS

The Antioch Chiefs and Squaws had their annual halloween party Saturday night from 7:30 - 10:00. All of the members dressed in their

halloween costumes and went on a scavenger hunt, bobbied for apples, etc.

Everyone had a good time.

## TODAY'S LIBERATED WOMAN

The pendulum will swing again for the Antioch Welcome Wagon Newcomers club from fun and games to an informative talk on the impact of the liberated woman on the family and society. The last event of the club was the October 27 Halloween party at which some of the most delightful costumes were seen. Among those deserving special mention were the Andy and Raggedy Ann creations worn by Mr. and Mrs. Kmiecik and the scarecrow and farmerette creations of Mr. and Mrs. Kapustka.

Next on the Newcomers' agenda is the November 7 general meeting to be held at the State Bank of Antioch at 8:00 p.m. Ms. Leah Pendarvis of the Family Counseling Service of Grayslake will discuss the liberated woman. The speaker's credentials are impressive. She had her training and internship at the Children's Mental Health Clinic, Columbus State Hospital, Columbus, Ohio and was associated with the Children's Memorial Hospital in Chicago. Her specialties in psychology are child, individual and marital therapy. At present she is Director of the Sexual Dysfunction and Enrichment Clinic of Grayslake Family Counseling Service and is an instructor at Harper Junior College.

The evening promises to be a most stimulating and provocative one. For further information and transportation assistance, call 395-6799.

## American Legion Auxiliary

The next meeting of the Antioch American Legion Auxiliary No. 748 will be held on November 5th, at the Antioch American Legion Home, at 8:00 p.m., with Mrs. John L. Horan, President, conducting the meeting.

Deep sympathy goes from unit members to Mrs. Samuel Pettigrew, who recently lost her husband; to Mrs. Ray Rathmann in the loss of her mother; and to Mrs. Ralph Fields, whose sister, Mrs. Ollie Tweed, just passed away. Mrs. Tweed was a gold star sister, a loyal and long time Antioch Unit member. She will be badly missed by all who knew her.

Antioch Unit is honored in having the top three officers of the 10th District Juniors from their Unit. On October 12th, at the Antioch Upper Grade School, Mrs. Rathmann installed her daughter Susan as district junior president. Annette Zitkus was installed as district junior vice president; with Colleen DeVries as district junior secretary. Other district junior officers installed were Linda McCormack, Mundelein, treasurer; Robin Chudzik, Lake Zurich, historian; Jeanne Gleason, Libertyville, chaplain; Pat Gabris, Waukegan, sergeant-at-arms; and Wendi Dorn, Mundelein, junior past president. The three other installing officers were Mrs. A.J. Dorn, Mundelein, installing chaplain; Mrs. John Chudzik, Lake Zurich, the installing sergeant-at-arms; and Mrs. Lester Zitkus, Antioch, as the installing musician.

Mrs. Norman Holt, North Chicago, 10th District President, was an honored guest.

In attendance at the October 26th Halloween party meeting for the 10th District Juniors, held at the Libertyville American Legion Home, were Mrs. Rathmann and her daughter Susan; Mrs. Bernard DeVries and daughters, Colleen and Dianna. This was Susan's first meeting as president, and she gave an excellent performance. Due to conflicting interests, Pat Gabris had to resign, and Jenny Magnusson of Lake Zurich is now the new district junior sergeant-at-arms.

Mrs. J.L. Horan announced her chairmanships for the 1973-74 year as follows: Americanism, Mrs. Ray Rathmann; Auxiliary Loan, Mrs. Lillian Hand; Children and Youth, Mrs. William Dowden, Civil

### CHICAGO MAN REPORTEDLY TAKES OWN LIFE HERE

A Chicagoan, Frank Champ-lain, age 23, reportedly took his own life in the washroom of the Antioch Restaurant, Wednesday, October 24.

His body was discovered by another patron of the restaurant, who summoned a waitress, who in turn called the police.

Champ-lain had come to Antioch with a friend to visit the latter's sister. The friend could offer no explanation for Champ-lain's apparent suicide.

Also, an elderly woman, Mae Collins, who had recently moved to Antioch with her husband, took her life in the couple's apartment, Monday, October 22.

Her husband called police to say that he had found her dead in her bed that morning. He reported that she had been ill for some time.

### B-J RUSH STUDIO WINS AWARD ON SENIOR GRADUATION PORTRAIT

Photographer Joe Rush and student Fran Colette are standing by her Blue Ribbon portrait. The portrait was judged outstanding at the Northern Illinois Professional Photographers print competition by a panel of Master Photographers.

When Mr. Rush was asked what factors contributed to his award winning senior portrait, he felt that taking plenty of personal time during the sitting, have a comfortable private studio, a private dressing room for hair, make-up and clothing-adjustments were among some of the plus factors.

Being local, the B-J Rush Studio can deal with the student and parents personally so the end result is very personally what they want.

Each senior must have a black and white picture taken by the school contract photographer so it will appear in the school year book. However, those who would like to have their senior portrait taken the creative way, in beautiful Royal Satin Color, should contact the B-J Rush Studio of Antioch, 312-395-5554. Special student prices are available and appointments are made at your convenience.

## Society Notes

by: Del Jahneke

Sturgeon Bay on the beautiful Green Bay peninsula in Wisconsin was the closest the John Baker's of Antioch could get to the Fall festivities this last weekend. Search everywhere - you just couldn't find any "No Vacancies" signs showing. This was the Bakers first trip to Door County, and they've already selected a site for cherry blossom time next May in one of the lovely, wooded camping grounds in justly famed Peninsula State Park. Just exploring Peninsula State Park with its high rocky promontories, the blue green waters of the Bay, the white birches, dark green pines and all the wondrous Autumnal colors made every scene not only "eye-satisfying, but soul-satisfying". They commented on not only the beauty, but the peacefulness and tranquility of the Sevastopol wild life refuge, where one could drive for miles through sunny, green leafed tunnels and not see another person. A highlight of their stay was the fish boil at Ellison Bay, where one is promised a "gourmand's specialite", and one is disappointed they cannot eat more. John and Betty Baker were one of the few persons who were able to see the Cana lighthouse off Bailey's Harbor, since it is so far away, it is

barely discernible. They did enjoy looking over the Eagle Lighthouse at peninsula park, kept in remarkably good condition. If there is such a club as the "Door County Fan Club", you'll find the Bakers staunch supporters with many others clamouring for membership.

Congratulations to Jerry Shatley, Grass Lake, who shot his first deer in Canada last week. When asked how many antlers this deer had, the fact emerged that this was a doe - calm down, friends, does are legal shooting in Canada. The junior Ed Jahneke's of Antioch shared in a delicious venison steak dinner a few days ago - everyone is enjoying this treat of the Canadian wilderness!

The P.T.A. of the Grass Lake School will be holding a pot luck supper before their regular meeting on November 12th, at 6:30 p.m. at the Grass Lake School. President Sam Karubba will conduct the session.

Hob-goblins, ghosts, and early "Santa", the walking skeletons, and the wondering who's hiding behind that clown face or Frankenstein, all added to the merriment and glee at the pre-Halloween party at the Alan Knutsen's home last Friday evening. Some forty people (???) who are either members or friends of the Antioch Evangelical Free Church chared in the fun of this party.

ANTIOCH, ILL. 395-3600

(Week of November 2-8)

ARIES (March 21-April 20): A time to buckle down and finish up all that work that you may have been neglecting. Clear your desk so that you can begin to make plans for future projects at work or school. Plan for a little fun with the family, possibly a fall picnic. Best days: Saturday, Sunday.

TAURUS (April 21-May 20): Family matters will demand a good deal of your time this week. Practice some preventive medicine by getting enough rest and by not letting money and business matters cause you undue anxiety. Do all those chores around the house that you have been meaning to do. Best day: Sunday.

GEMINI (May 21-June 21): This week could offer many opportunities to advance in your job or at school, especially through the help of friends and acquaintances. But be careful of finances. Best days: Friday, Monday.

CANCER (June 22-July 21): A good time to visit old friends or relatives who live out of town. Also a good time to catch up on back correspondence both of a business and personal nature. Otherwise, the week will be business as usual. Best days: Sunday, Tuesday.

LEO (July 22-Aug. 22): Romantic cycle on the rise. A social activity can lead to an interesting acquaintance. You may have to exercise all your tact to avoid problems with moody and sensitive relatives. Best days: Wednesday, Thursday.

VIRGO (Aug. 23-Sept. 22): Excellent prospects for anything involving creative activity or talents which you possess. A good time to seek a new job opportunity or a promotion. If a friend needs your help, be considerate. Best days: Friday, Monday.

LIBRA (Sept. 23-Oct. 22): Take advantage of opportunities to increase your income, even if it means curtailing social activities or a favorite hobby. The experience will pay off in the future. Be practical in purchasing plans. Best days: Sunday, Monday.

SCORPIO (Oct. 23-Nov. 22): A pleasant weekend indicated. Shopping, home improvement, social activities all favored. In career matters, it's best to be candid with superiors about your ambitions and plans. They could prove surprisingly helpful with suggestions. Best day: Friday.

SAGITTARIUS (Nov. 23-Dec. 21): If someone has entrusted you with a secret or sought your help, be faithful to your commitment. Your shrewd sense of business can be helpful in financial matters, for yourself and a friend. News from a distance may brighten the social outlook. Best days: Monday, Tuesday.

CAPRICORN (Dec. 22-Jan. 20): Cycle high for those born under this sign. You can make plans involving travel or financial matters. Social activities enhance your romantic prospects. So take advantage of every opportunity to meet new friends. Best days: Friday, Sunday.

AQUARIUS (Jan. 21-Feb. 18): An active and enjoyable period for the Aquarian. Loved ones will be receptive to your suggestions especially if you include them in the planning. Your cheerful attitude helps brighten a party. Best days: Friday, Saturday.

PISCES (Feb. 19-March 20): Moon in your cycle highlights friendship and romance. Some talent of yours can lead to a solution of a long-standing problem. Loved ones or relatives demonstrate more affection when you show your own feelings openly. Best days: Saturday, Monday.

### Bits from Barb

By: Barb Olson

This is the last week of the first nine weeks grading period. Friday, November 4, all grades will be taken and averaged out. Report cards will be distributed a couple of weeks later.

Play practice for the Taming of the Shrew has been going on for over a month now. It will be performed November 16 and 17, at 8:00 p.m. in the High School auditorium.

Last week was American Education Week and the theme was "Get Involved." This provided a chance for parents to visit classes while in progress to see how they are run and to see the general behavior of the

students for themselves.

The PSAT test was held Tuesday afternoon for all Juniors interested in taking a pretest for ACT or SAT. The PSAT merely gave them an idea of what to expect when they take the other required tests.

The professional wrestling match was held Wednesday night in the boy's gym. The match had a big turnout and cars were lined up on the streets around the school trying to find parking spaces.

Tom-Tom staff held another meeting last Wednesday to discuss ideas for the next publication of the paper. They decided to attend the Day of the Jackal at the Antioch Show when it plays there since they have free passes for granting the show free advertising. In the past years, there was a box located in the commons called the Hang-Up Box. It was used to give students a chance to express comments and gripes, or just to write a fact that they think might prove to be interesting to the student body. This box will be again placed in the commons, but under a new name, "The Voice Box." This enables students to give more

variety of opinions instead of just hang-ups. Rudy Minger suggested the new name. Tom-Tom is looking for more members to join the staff. Since the staff already consists of mostly girls any boys interested in joining would be welcomed. There are also areas in the paper that a boy could cover a lot easier than a girl. If you are interested in joining contact Mr. Chandler.

A yearbook meeting was held last Wednesday to look over pictures that had been taken and developed. All members were requested to attend since they had a lot of pictures.

There was some controversy at the Board of Education meeting Thursday night, because of the band not participating at the half-time of the Homecoming game. After discussing the matter it was decided that it was just a communications gap among some of the people in charge of the activities. They didn't realize that the band had worked out a show that would include presenting the Queen and her senior attendants. There is a possibility of the band performing at the next home game.

Performing at all Illinois State University home football and basketball games this year as a member of the Coryphees pompom team is Miss Kathleen Walpole of Antioch. The squad presents dance routines along with the Illinois State marching band. Earlier, this fall, they appeared before more than 50,000 fans at St. Louis for the Cardinals-Washington Redskins game. Miss Walpole is a sophomore majoring in art. She is the daughter of Mr. and Mrs. Frederick J. Walpole, 513 Garys Drive, Antioch.

### CYNTHIA J. SCHLEUSENER

Army Nurse (First Lieutenant) Cynthia J. Schleusener, daughter of Mr. and Mrs. Roland E. Schleusener, 1015 Victoria, Antioch, Ill., completed a five-week Army Nurse and Medical Specialist Corps officer basic course at the Academy of Health Sciences of the U.S. Army, Ft. Sam Houston, Texas.

The course provides basic branch training and orientation for newly commissioned officers. Instructions are given to medical records and reports, field medicine and surgery, field medical service, preventive medicine, neuropsychiatry, supply procedures and military law.

### MADELYN HALLETT ATTENDS BARAT COLLEGE

Madelyn Hallett, daughter of Mr. and Mrs. Charles G. Hallett, Antioch, Illinois, is a member of the freshmen class at Barat College.

Barat, founded in 1919, is a four-year liberal arts college for women, located 30 miles north of Chicago.

### MICHAEL L. CLARK

Navy Fireman Michael L. Clark, son of Mrs. Ida L. Clark of Route 3, Maple Ave., Antioch, Illinois participated with NATO's Atlantic fleet in an annual naval exercise here named "Swift Move." More than 30 ships from seven countries took part in the maneuvers. He is serving on board the attack carrier USS John F. Kennedy.

A 1970 graduate of Antioch Community High School, he joined the Navy in February 1972.

## NI-Gas digs deep to keep your natural gas pipeline full.

We're putting millions of dollars into new areas for gas exploration.

The problem is this: There's plenty of natural gas in the ground. But finding it is a mighty expensive proposition these days.

During the latest seven year period, for example, the cost of an exploratory well has risen more than 2/3, while the wholesale price of natural gas to NI-Gas has increased less than 1/2. So it's no wonder there aren't enough explorers investing in new wells to

meet the growing need for natural gas energy.

To encourage them, NI-Gas puts up part of the money. In return, gas discovered will help increase our supply for you.

Ordinarily, you wouldn't expect NI-Gas to be involved in financing exploration. But we're involved in a lot of things you wouldn't expect, to make sure you have the natural gas energy you need to keep your home comfortable and your environment clean.

**GEORGE A. BOUTWELL**

George Alexander Boutwell, son-in-law of Russell and Adeline Lasco of Antioch was advanced to Chief Petty Officer

in the United States Navy on September 26, 1973. Chief Boutwell originally from Coy, Alabama joined the Navy in August 1964. He is currently assigned to the Guided Missile Destroyer USS Lawrence DDG4 and is now residing in Norfolk, Virginia with his wife, Linda.

Each teacher at the Oakland Grade School and their room mothers organized and staffed a booth. The children made all the decorations and necessary props.

The 5th grade parents

## OAKLAND FUN FAIR BEST YET

sponsored the "Spook House" and even scared some of the moms. Mrs. Nutter's 4th grade had a Christmas Shopping Room for children only. Small gift items for Mom and Dad and all kinds of little trinkets were on sale. All of the items were donated by the parents of children in the school.

Mr. and Mrs. Al Paul were the auctioneers for the White Elephant booth. Along with Mr. David Heath they were able to sell most of the items donated. These three people are only whispering today. Handing out the raffle prizes was Mrs. Darlene Gers who was in charge of getting all the gifts together. Raffle tickets for 10 and 20 cents were sold by the children and over 50 items were donated by Antioch merchants for the event. Some of the prizes donated were a snowmobile

suit, a Sun Beam iron, gift certificates, pizzas, liquor, beauty shop and gas station services, etc.

Mrs. Mary Wells was in charge of the kitchen and as usual the food was super delicious. She even ran out of hot dogs.

Prizes for the three best costumes went to: 1. Cory Grandsart—\$3.00 worth of booth tickets; 2. Theresa Parker—\$2.00 worth of booth tickets and 3. Hank Gillman—\$1.00 worth of booth tickets.

According to fair chairmen, Mr. and Mrs. Robert Quinn, this was the best fair ever held at the Oakland school. Workers estimated that over 1,000 people attended. The PTA will be splitting the profit with the teachers so they will be able to do classroom projects spontaneously.

## M & S REAL ESTATE PURCHASES

### S. BOYER NELSON REAL ESTATE AND INS. AGENCY

## FALL FESTIVAL DAYS AT GOOD SHEPHERD LUTHERAN CHURCH

The annual Fall Festival Days, sponsored by the Good Shepherd Lutheran Church Women's League, Rte 59 and Grand Avenue, Lake Villa, are set for Thursday, November 8 and Friday November 9. Thursday the doors will be open at 9:30 a.m. til 3:00 p.m.

A Smorg-buff luncheon will be served from 11 a.m. to 1 p.m., consisting of various special dishes, according to Mrs. Norma Colatraine, luncheon and dinner chairman.

Mrs. Frank Wrenn, festival chairman, has been conducting workshops for many weeks in preparation for this gala event. Booths, displaying all hand made items, will be overflowing with original novelty Christmas items, aprons, linens, stuffed toys, pillows, crocheted and knitted wearing apparel. Also featured will be an old jewelry booth. Home made jams and jellies, cakes, bread and rolls will be available.

Co-workers are Mmes. Lu-

cille Becker, Dora Hansen, Frieda Haingle, Evelyn Rohrbach, Paulette Boeger, Betty McAllister, Betty Bethman, and Mildred Tredor. In charge of advertising posters is Karen Genesio.

Favorite recipes of ladies of the congregation have been assembled into an old-fashioned cookbook by Mmes. Lorraine Erickson, Elsie Bahr, Della Haase, and Kristine Springer.

An added attraction will be the White Elephant Booth, set up by Mrs. Ruth Lingle. She promises to have something for everyone at reasonable prices.

Friday evening the doors will be open from 5 to 9 pm. A Smorgasbord will be set from 5:30 to 7:30. No tickets are needed.

Mrs. Virginia Brosowske, league president, extends a warm welcome to everyone to come and browse.

## REV. ELMER SANDBERG AT FREE CHURCH

Rev. Elmer Sandberg of Loves Park, Illinois will conduct Spiritual Renewal Services at the Antioch Evangelical Free Church, Tiffany Road at Highview Drive, November 4 thru 7.

The Sunday Service times are 11:00 a.m. and 7:00 p.m. with the weeknight services at 7:30 p.m.

His topics are: "But What If We Die?"; "How To Worship"; "Three Deadlines"; "The Name of Jesus"; "A Formula for Revival".

Rev. Sandberg is Pastor of

the Loves Park Evangelical Free Church and is well-known throughout the United States and Canada for his dynamic, renewal preaching.

The services are open to all with no offerings taken except the regular Sunday church offerings. A coffee time will be held following each evening service to enable personal inter-action with Rev. Sandberg.

## CHRISTIAN SCIENCE CHURCH

In the Bible in St. John 9 we read how Jesus healed the man who was blind from birth, showing that the real man is the son of God and born perfect.

In the lesson sermon EVER-LASTING PUNISHMENT this Sunday at First Church of Christ, Scientist, the first reader, Mrs. Barbara Conzelman reads from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy, this commentary: "At all times and under all circumstances, overcome evil with good. The perfect man - governed by God, his perfect Principle - is sinless and eternal."

Everyone is invited to attend the services at BEACON HILL, Rte 173 and Harden, Antioch, Illinois at 11 a.m. Nursery service is provided for children.

## "Hindsight's Better Than Foresight"

by: Rev. Eugene Keusal

During the course of the year, many of the merchants of the Village of Antioch run various contests for the children. These contests are a simple way of

getting the children to participate in community affairs. Participation unfolds diversity and the diversity brings out unity.

It is in participating that an individual discovers his uniqueness. When a person participates with other people he may, for instance, find out that he is taller than another, he may find out that he knows more about community affairs, he is more convincing than others in a group. He may also discover that his neighbor is a better manager, knows how to handle people better, is a good listener which enables him to evaluate better. When these two participate together a great deal can be accomplished. Their differences give support to each other and brings about a strong unity.

It is a known fact that many heads working together arrive at a better solution than any one person working by himself. The individual does not divide the community in fulfilling his uniqueness. Rather the community is united and enriched.

All of us have been created by God with unique qualities and talents that are meant to make us aware of the brotherhood of man. As brothers and sisters of the same Father we must work and pray together giving support to our differences so that our unity might be given strength.

## The Antioch News SPORTS

### FRESHMEN IN TITLE GAME

On Saturday morning at 9 a.m. Antioch's freshmen "A" team will be playing Grant at Grant in one of the big games of the year. If Antioch wins, it will share the league title with Grant and Warren. Each team will have only one loss. Antioch earned a shot at the title by defeating Stevenson 18 to 13 in a real thriller last Saturday on the home field.

Stevenson, which lost two games early in the season but has been playing well lately, gave the home folks a quick jolt by returning the opening kickoff for a touchdown. Antioch took the ensuing kickoff and lost five yards on the first three downs. A good point by Todd Ten Eyck pushed the visitors back to their own 15 yard line but four plays later, a Patriot runner swept right end for 65 yards and a touchdown. The PAT kick made it 13 to 0 and less than three minutes had ticked off the clock.

The young Sequoits were able to contain the Patriot's offense the rest of the game but were unable to generate much offense themselves. Not until the third quarter was Antioch able to light up the scoreboard. Ten Eyck plunged one yard for the TD. The first of three PAT attempts failed.

On the first play of the fourth quarter Rich Bailey swept right end and scooted 48 yards untouched for the score. The last tally came with just 40 seconds remaining as Ten Eyck squirmed six yards on a fourth and three play. The TD capped a 70 yard drive in 14 plays that consumed a little over three minutes.

Bailey led the rushers with 103 yards in 15 carries and quarterback Mark Stewart completed three passes for 89 yards. Coach Hahn also praised fullback Bruce Kecskemeti: "Bruce only carried the ball five times today but he blocked well for the halfbacks and played the decoy with his fakes. He had a big role in our victory." Coach Steve Wapon went on to extend further praise to the yearlings: "I was especially proud of the way that the team came back after being down 13-0 at halftime. The 18 points that the offense put on the scoreboard was a true achievement against such a strong Stevenson defensive line. A lot of credit must also go to all the members of a tough Sequoit defense that held the Patriots scoreless the final 37 minutes of the game." Leading the defense were Brian McGrain, Kecskemeti, and Doug Schreiber.

### FROSH "B" TEAM WINS, LOSES

Antioch's freshmen "B" team split the two games it played last week. On Monday the "B"s defeated Grayslake for the second time this year. The score was 28 to 12. Then Friday the team visited Harvard where it suffered its first defeat of the year. The Harvard "A" team won the game by a score of 36 to 14. The "B" team record is now six wins, one loss, and one tie.

In the Grayslake game Rich Bailey scored twice on long runs, both sweeps. One covered fifty yards and the other was forty yards. Neither point-after attempt was good. Steve Pilcher added to the scoring on a seven yard run in the third

quarter. Bill Wates scored the two-point PAT on a pass from John Grippando. The last Antioch touchdown was also a pass, this time from Grippando to Jerry Lindom covering 25 yards. Pilcher closed out the scoring with a PAT run over the left side.

In the Harvard game Antioch was somewhat out classed since it was playing the home team's "A" squad. Harvard scored early and led 36 to 0 before Antioch got going. Scoring for the Sequoits were Bill Wates on a 60 yard pass from Grippando and Tim Lama on a 10 yard run. Steve Pilcher was able to add one PAT.

### Scout Dinner A Huge Success

The Thirteenth Annual Spaghetti Dinner sponsored by Troop 92 of Antioch was again a success even though the cost of food had risen sharply over last year. This was due to the generosity of the Antioch community in the purchase of tickets as well as donations of food, prizes and other supplies. The spaghetti was donated by Connie and John Deutch the owners of "The Dutchman Restaurant" on Route 83, when they found that rising costs would decrease profit. George Winfield provided the cabbage for the excellent cole slaw prepared at the Ingleside A & W Root Beer stand, and the 1st National Bank of Antioch provided door prizes, place mats and napkins. Many of the Antioch businessmen supported the affair by purchasing blocks of tickets. Harley Ware arranged for the procurement of food

stuff while Dick Stroner was chief chef. Mr. Stroner has handled the kitchen for the past several years even though he is no longer associated with the troop.

There were many others who helped in many ways and to them our manyfold thanks.

As usual, Bernie Dost dinner chairman and his crew of fathers did an outstanding job. The boys themselves did an excellent job of serving.

650 plates of spaghetti and meatballs were served. In addition, 60 children's plates plus over 250 "seconds" were served in the seven hour period.

The funds derived from the dinner will help defray the operating costs of Troop 92 for the coming year.

Troop 92 under the leadership of Norm Edward is the largest and most active in the area.

## SEQUOITS GAIN A MUDDY VICTORY

From the completely demoralizing defeat of the Homecoming game and the devastating effect of having their first string quarterback Darrell Channell for the season, the fighting Sequoits bounced back or rather slogged through the Stevenson mire back to an exciting victory over Stevenson 12 to 8.

The scoring came all in the first half, in fact most all the action came during the first half. The condition of the field became so bad, that the second half turned into a mud bath for both teams. In fact, according to Head Coach Roy Nelson, you couldn't tell one side from the other when they viewed the films of the second half of the game.

Outstanding runs by Senior Back, Bob Bailey led to Antioch's scoring. The TD came at 7:15 in the first quarter on a 62 yard run and the second TD came at 6:28 of the second

quarter on a 28 yard run. The PATs on both TDs were no good. Bailey had an outstanding day, with a total yards gain of 175 in 33 tries.

According to Coaches Nelson and Bartosz this was even more of an outstanding feat considering the poor field condition. Stevenson picked up their 8 points on a 1 yard run and a successful PAT with 3:15 left in the second quarter.

Special commendations from the coaches went to Junior Quarterback, Jeff Harceg, who played his first full varsity game as replacement for Darrell Channell who was injured last week. Also outstanding on offense this week was the blocking by Senior Back Floyd Davis. The defense did their usual good job in holding the Stevenson team to one TD and controlling their passing game, which has been their strong point this year.

Leading the Sequoit defense was Rick Sedar, Frank Pleviak and Terry Lear.

Dan Huntington also regained his usual good punting form and pulled the Sequoits out of the hole a number of times with good punts under the worst possible conditions for a punter.

Next week will see the Sequoits wind up the '74 season with a game here with Grant.

This should make an exciting close to the '74 season for the Antioch Varsity. Grant will be coming into the game with a 5 win and 3 loss record and Antioch has 3 wins and 5 losses. Don't let the record fool you, remember Antioch lost to the two league leaders, Lake Zurich and Warren, by only one point. If they can put it all together, plus playing on their home field against Antioch's traditional rival Grant, it's anyone's ball game.

PROTECTION

"When I first introduced Flex-O-Glass in 1924 I could never imagine that 50 years later America would be faced with a serious fuel shortage — in which Flex-O-Glass would be such an economical way of helping millions of homes stay warmer this winter. Flex-O-Glass saves both fuel and money. Homes protected against winter wind and zero weather with Warp's Flex-O-Glass can actually save up to 40% on fuel costs."

More heat is lost through windows than from any other part of the house. In fact a 1/8" crack around a standard size 3 ft. by 6 ft. window equals a 5 inch square hole in the glass. That's why it pays to seal drafty windows by covering them with Warp's Flex-O-Glass.

# ANTIOCH TOWNSHIP ASSESSMENT ROLL FOR 1973

The following is a full and complete list of all assessable Personal Property and a list of all changes made in the assessment of Real Estate as found in the assessment roll of Antioch Township with the assessed valuation thereon as extended by the Supervisor of Assessments for the year 1973 and published as required by law.

The valuations published should be compared with the equalized value carried on last years tax bill and should be approximately one half of the present market value of the property in question.

This publication does not reflect reductions for Homestead Exemptions or Veteran's Exemptions.

Complaints regarding these values must be submitted to the Board of Review in writing within the 20 day period required by law.

These values are technically subject to a State adjustment factor certified to the County Clerk by the Department of Local Government Affairs. The local administrators are confident, however, that local changes in the levels of assessment in certain townships will result in a State equalization factor of 1.000, or no change in local assessment figures.
